

Second Open Call - Normal Project Proposal	
Project code	ROHU-319
Project title	4 YOUTH – Joint program for cross - border cooperation between young people
Priority axis	6 – Promoting cross-border cooperation between institutions and citizens
Investment priority	11/b - Promoting legal and administrative cooperation and cooperation between citizens and institutions (Cooperation for citizens)
Implementation period	18 months (01 December 2020 - 31 May 2022)
Objective	The main objective of the project is to intensify sustainable cross-border inter-institutional cooperation. The 3 institutions work together to achieve the same goal: providing better services for citizens, by strengthening their institutional capacity.
Partnership	Lead Beneficiary: Paleu Commune (Romania)
	Project Partners: PP2: Hosszúpályi Commune (Hungary) PP3: Cetariu Commune (Romania)
TOTAL budget	€ 173,500.00 out of which ERDF € 147,475.00
Summary	<p>The project partners have identified a common set of issues that they propose to address in order to provide better services for citizens.</p> <p>The main activities of the project are:</p> <ul style="list-style-type: none"> Organizing 3 exchange of experience and 1 online meeting (each partner will host one experience exchange and will attend the other 2 organised by the other partners) Organizing events to promote the project (opening and closing conferences) Creating a common network of best practices in administration; Purchase of equipment for the endowment of the partner town halls, in order to serve the communities (LB: 1 vehicle with minimum 6 seats for persons and 1 vehicle to carry equipment, PP2: 2 minibuses, necessary for transportation of persons - type 8 + 1, PP3: 6+ 1 crew cabin chassis with tipper, 1 teleconference system) <p>The Programme Output Indicator is 11/b 1 <i>Number of institutions directly involved in cross-border cooperation initiatives</i>. Through the project ROHU-319, 3 institutions are directly involved in cross-border cooperation initiatives.</p>
Main results	<p>Within the partnership, as a result of the activities, the 3 partners will progress in providing better services to citizens and will initiate cooperation in other specific areas, such as water resource management, waste management, transport, etc. After the implementation of the project, the partners will develop short-term action plans (at 1 year from the end of project implementation) and medium-term action plans (at least 5 years). The institutions will benefit from new facilities and will be able to continue their cooperation. A common strategy for economic growth and tourism development could also be developed.</p> <p>By implementing this project, the level of cooperation between 3 institutions in the cross-border region will increase.</p>
